Class/Seminar Teacher Evaluation

This survey requests your feedback on two separate aspects of your learning experience, split into three sections. The first section asks for your views on your teacher's class/seminar teaching. The second section asks for your views on the course as a whole *at this point in time*. Finally, the third section asks for some information about you, to aid analysis. Your views are valuable to your teacher and to the School. The results will be used to identify good practice and will also be used to help improve the teaching and learning experience for you and your peers.

The School reports internal survey results as the percentage of respondents who 'mostly agree' or 'definitely agree' with each statement, in comparison to the percentage of respondents who either 'mostly disagree' or 'definitely disagree' or 'neither agree nor disagree'. The percentage of respondents who 'mostly agree' or 'definitely agree' is the '% Agree' result. For example, the % Agree score means that X % of students on Y course mostly or definitely agree with the statement 'I have received helpful comments on my work'.
